

Classic Sweep Fan

Y3HS Series

Technical brochure

Contemporary by nature

With its soft round edges, the Classic Sweep fan is designed with traditional interiors in mind and will provide the performance when needed.

Application

These ceiling sweep fans are part of Clipsal's market leading Airflow™ range. Suitable for efficiently moving air within and between rooms in both residential and commercial buildings. They help reduce the total reliance on the buildings air conditioning system and help to maintain a constant and comfortable environment.

Features / benefits

- Energy Efficient DC fan motor
- Dual control with option to use standard wall plate fan speed controller and/or remote control.
- Supplied with Iconic 40RSM3 fan speed controller.
- Available in 2 blade sizes of 1300mm and 900mm.
- Detachable LED light (sold separately) with tri-colour output.
- Summer/Winter rotation
- Available in White or Black colours
